Artist-in-Our-Community
Community Art Project
2018

This project consisted of setting up a pop-up art studio at over 25 stops in a tour around the city of Hillsboro. Community members were invited to paint a 4"x6" picture. Those pictures were collected and turned into mosaic murals. Participants were asked if they could be photographed with their paintings. The participant pictures were displayed with the mosaic murals during a two month exhibition at the Walters Cultural Arts Center. Over 1000 people participated. The mosaic murals were donated to the city of Hillsboro.
